IT IS HEREBY ORDERED:

1. The Court finds that notice was issued to the Class in accordance with the terms of the Settlement Agreement and as ordered and approved by the Court in the Preliminary approval order entered on April 13, 2015. The Court further finds that the notice was the best practicable notice under the circumstances.

2. Pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, the settlement of this action, as embodied in the terms of the Settlement Agreement, is hereby approved as a fair, reasonable, and adequate settlement of this case in the best interests of the Settlement Class in light of the factual, legal, practical, and procedural considerations raised by this case. 4. The Court finds that certification of the Settlement Class, is appropriate in that (a) the Class is so numerous that joinder of all members is impractical; (b) there are questions of law and fact common to the class that predominate over any questions affecting only individual class members; (c) Plaintiff Glen Ellyn Pharmacy, Inc.'s claims are typical of the claims of the Settlement Class; (d) Plaintiff and Class Counsel have fairly and adequately protected the interests of the Settlement Class; and (e) a class action is superior to other available methods for fairly and efficiently adjudicating this controversy.

5. The Court appointed the Plaintiff as the Representative of the Class and finds that it meets the requirements of Rule 23(a)(4) of the Federal Rules of Civil Procedure.

6. The Court appointed the following attorneys as Class Counsel, and finds that they meet the requirements of Rule 23(g) of the Federal Rule of Civil Procedure:

7. The Court finds notice of the settlement has been given to the appropriate state and federal officials in accordance with the Class Action Fairness Act, 28 U.S.C. §1715.

8. In evaluating whether the settlement is fair and reasonable to the Class the Court considered the following factors, among others: the likelihood of success by Plaintiff and the Class on the merits and on class certification; the range of actual damages claimed by the Class; the complexity, expense and duration of the litigation; the stage of the litigation at which the settlement was reached; the amount and substance of any opposition to the settlement; and the memorandum and exhibits thereto in support of final approval. The Settlement Agreement is hereby approved and the Parties
